Henika District Library

Board of Trustees Meeting

October 10th 2023 at 6:30pm

Members Present: Meghan Augustin, Suzy Byville, Tami Fryling, Gary Marsh, Maria Musgrave, Sarah Powell

Members Absent: Jacqui Kuhn, Danielle Simmons

Staff Present: Cierra Bakovka – Director

Guests: Lane Buter, Alexi Wallace

- I. Call to Order: Meeting called to order at 6:32 pm by Augustin
- II. Approval of Agenda motioned by Byville, seconded by Augustin. All yes, motion passed.
- III. Community opportunity to address the board – no comments
- IV. Approval of September Meeting Minutes motioned by Fryling, seconded by Augustin. All yes, motion passed.
- V. Financial Reports
 - a. Monthly check register was reviewed. Quarterly fee from IT technician of \$585.00; Mileage for 2 staff members \$195.19; Adult programming \$100 and presentation by Tobin Buhk \$250.
 - b. Credit Card Detail Report was reviewed. No notable exceptions.
 - c. YTD Budget vs. Actuals was reviewed. No notable exceptions.
 - d. United Bank Accounts were reviewed. No notable exceptions.
 - e. Approval of paid bills motioned by Musgrave, seconded by Powell. All yes, motion passed.
- VI. Director's Report

- a. Bakovka gave an update on staffing. 2 injured staff members remain out, creating the need to make frequent changes to balance coverage for library hours. Library was closed one day in past month for the last hour of the day due to inability to cover staffing and 2 programs were cancelled. The roof has been completed, gutters to follow soon. State Aid Report is starting and expected to take several months to complete. Director started going to the "Library Financial Certification Course" and is learning a lot. Some recent concerns with current auditing company have prompted inquiries into alternate companies, details to follow. Director will be at MLA for 3 days next week. Meeting with Tribe librarian went well, they are working on ways to collaborate services. New e-mail system is being set up within the next month. The Lakeland app is becoming a concern, slow response for technical issues following multiple tech issues, new applications being evaluated for possible replacement. For Halloween, library is sponsoring a "get ready" session
- b. Monthly statistics were reviewed. Most popular days for September were Mondays and Thursdays. Total attendance was #865, up 117% from previous year.
- c. Youth report was reviewed. Most popular programs were: Reading Dragon, with 61 sign ups; After School Art with 88 attendees, and Touch A Truck with 69 attendees. Touch A Truck program was very successful and will likely be continued next year with possible increase in hours. Volunteer assistance was also successful.
- d. Adult Services Report was reviewed. Most successful program was Grand Rapids Ghost Hunters with 32 attendees. Bingo had lower than expected participants, possibly due to the fact there is another community bingo event held at the same time, will consider moving date/time.

- e. The Circulation report was reviewed. 16 new accounts were added in September.

VII. Committee Reports

- a. Building and Grounds – no update, next meeting October 23 at 4pm
- b. Finance Committee meeting was held October 4th. Each committee member has been assigned a category for potential funding for new library, they are gathering information and will report back at next committee meeting.

VIII. Unfinished Business

- a. Parking lot. The city of Wayland put out the official notice (Request for Proposal) as is the legal requirement. Bids are to be accepted until Friday, October 13, 2023 at 2pm. Bakovka Submitted the library's office proposal and answer is expected sometime next week. There is a City Council Meeting on October 16, it is expected city will give official answer at the meeting.

IX. New Business

- a. Cardiac Emergency Response Plan. As per the agreement for our AED Grant, library was expected to put together a plan for the purpose of outlining official steps to be taken by staff in the event of a cardiac emergency on the library grounds. Approval is needed on wording to be added to the Employee Handbook. As previously explained, all staff have been formally trained on use of the AED and it is hanging in the library by the circulation desk. Motion by Augustin, seconded by Musgrave, all yes, motion approved.
- b. Phone system. Current phone system is at least 10 years old, staff having more and more technical problems. Our Technician reported this type of phone system is no longer being used/installed and recommends new system. Expected costs \$5,000 - \$10,000. Directed has started to gather information and had 3 quotes available to discuss with board. Following

discussion, board determined there is not sufficient information to form a decision. Matter tabled until additional information can be obtained.

- X. Around the table.
 - a. Bakovka- excited to attend MLA next week as well as an upcoming 'Think Space' conference. Highly anticipating the decision about parking lot. She is also proud of the staff for the hard work everyone has done to fill in open shifts/hours.
 - b. Augustin- Kudos to staff for working together to staff the shortages. Best of wishes out to injured staff members, hoping for their speedy recovery and quick return. Reminder that next Board meeting is November 14, 2023 at 6:30pm.
 - c. Musgrave- Thoughts go out to the staff. Downtown Wayland Mainstreet is doing a program on October 17, that may include them stopping at the library. 'Welcome' to our guests.
 - d. Byville- Commends Bakovka for a great job, as always.
 - e. Powell- no new comments
 - f. Marsh- Picnic tables are due to be picked up for winter storage within the next 1-2 weeks.
 - g. Fryling- reminder about the Building/Grounds committee meeting on October 23, at 4pm here at the library.
- XI. Adjournment- motioned by Augustin, seconded by Powell, motion carried. Adjourned at 7:58pm.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- ▶ Account information: Your name and account number.
- ▶ Dollar amount: The dollar amount of the suspected error.
- ▶ Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
 - ▶ We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - ▶ The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - ▶ While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
 - ▶ We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. **INTEREST CHARGE:** Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the **INTEREST CHARGE** by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the **ADB** separately for the Purchases, Advances and Balance Transfer categories. To get the **ADB** in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the **ADB** of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the **ADB** calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the **ADB** calculation.
2. **Payment Information:** We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional **INTEREST CHARGES**, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.
3. **Credit Reporting:** We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

ACCOUNTANTS' COMPILATION REPORT

To The Board
Henika District Library
Wayland, MI

The Board is responsible for the accompanying financial statements of Henika District Library, which comprise the Governmental Fund Balance Sheet as of October 31, 2023, and the related Statement of Revenue and Expenditures for the one month and ten months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by the Board. We do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

The Board has elected to omit substantially all the disclosures ordinarily required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Henika District Library.

October 2023
Youth Services Report
Tori Schreur, Youth Services Librarian

Reading Dragons: 13 new kids signups/5 Finishers. Our special dragon friends for the month were Candycorn, Potion, and The Wicked Witch of Oz.

After School Art: 85 attendees. Both sessions of After School Art were Halloween themed! On the twelfth, the kids built their own pumpkins using pumpkin cutout stickers and various shapes. On the 26th of October, they built their own monsters using paper plates, tissue paper, and various other craft supplies.

Preschool Storytime(s): 18 attendees. Only one session of storytime was held, but this was Halloween themed as well. Kids and their grownups listened to some spooky stories, and were able to sing some fun Halloween themed songs!

Henika Pokemon Trainers: 25 attendees. I purchased some special packets of Halloween themed Pokemon cards for all the kids to have. We also put on one of the Pokemon movies for kids to watch while they played and traded their cards.

Head Start Playgroup: 3 attendees. My sister, who is a representative for the Community Action of Allegan held their Head Start playtime at the library. Various different stations were set up for kids and their grownups to play and interact with. They had a pumpkin and leaf filled sensory bin, playdough, 5 spooky pumpkins, and a few more!

Hands on Halloween: 35 attendees. This was a blast! I had four different Halloween STEAM stations set up for kids to “get their hands on”. First was a binary code bracelet, where kids spelled out their name using the binary code with Halloween colored beads. We also made an oozing Witch’s cauldron and kids could keep their cauldrons after they were done. Lastly, there was a Build Your Own Skeleton, and Colored Corn Mosaics. The kids had a lot of fun.

Get Ready with Us for Halloween: 62 attendees. This was a lot of fun as well! We had stations to make Halloween masks, some donuts and apple cider, and a table for kids and families to do their Halloween Makeup. We played Coco for families to watch.

1000 Books before Kindergarten: Two new sign-ups and two kids have moved onto the next step!

Looking forward:

On November 1st we will have Lego Club, after having to cancel it due to lack of staff for the month of October. On Wednesday, November 8th, we will be having Pokemon Club. Thursday, November 9th will hold both a Dinosaur themed Storytime as well as a Dinosaur themed After School Art. On Saturday, November 18th, Paleo Joe will be coming to the library to talk about Dinosaurs! Then on November 30th, we will be having Storytime and After School Art.

Programs & Attendance

Parenting Adult Children with Special Needs with Cindy Semark (In-Person): 7

This event was very interesting! This author came highly recommended from the community, and had some of her books to sell. She mostly told her story, and then the floor opened for discussion. They all had such a good time discussing that everyone stood out in the parking lot after we closed to keep talking! This event didn't have a lot of interaction on social media, so this was actually more than we'd expected.

Adult Craft: Plush Pumpkins (In-Person): 8

This was my first time running a craft, and I think it went pretty well! Unfortunately, we had a lot of last-minute cancellations, so the day of we went from full capacity to half.

Dark Corners of MI History (In-Person): 6

Tobin is always really popular, and we're already scheduled to have him back in February. We've been brainstorming ways to get the word out a little more. He had a lot of interaction on social media, so we expected a bigger turnout. But the people who came were absolutely riveted!

Bingo! Brunch (Family In-Person): 5

Bingo! Brunch was a lot of fun this month! These numbers are pretty consistent with last month. I'd heard that it was popular with young families and I haven't seen that personally, so I'm going to try and appeal to that demographic a bit more for next month.

Hocus PochHiss (Family In-Person): 54

This was a hit! Jen from the Catz Den has said that she is willing to work with us a lot more, so I'd really like to take her up on that. Cats always seem to draw a big crowd. I'd also like to do more movie nights in the future.

Total Program Participants: 80

September Reflection

This was my first full month as the Adult Librarian here at Henika, and I think that it's been going pretty well! Faith had already planned a full month of programs, so I just did what was already on the calendar, to give me time to plan and acclimate. There's a lot to learn, and I'm grateful that she'd already planned so much to give me time to learn it.

Looking Forward

Everything we're doing in November was planned by me, and I'm very excited to get started on my own programs! We're doing NaNo (National Novel Writing Month) workshops on both Saturdays I work this month, a game night, two crafts (a hand salve and a sock gnome), Bingo! Brunch and Spice Club. I'm also going to start visiting Sawmill Estates and Green Acres like Faith did, and I'm really excited to get out into the community!

October 2023

Our overall circulation numbers are continuing on an upward trend, with Circulation YTD numbers up 10,869 from October 2022. The category showing the most growth from last year during the month of October is our Special Collection items; which circulated twice as many times as they did in October of last year. Our most popular Special Collection items are our Mobile Hotspots and our Video Game consoles, which are hard to keep on the shelves!

Other categories showing noticeable growth from last October include: Adult Print, MeL items, Adult and Juvenile e-books, Adult e-audiobooks. Computer Sessions are also up this year by 85 sessions, which I attribute to the after-school crowd coming in to play Roblox and Minecraft. Categories that are trending downward this October include: Teen Print, Tween Print, Juvenile Print, General DVDs, Youth DVDs, Tween Audiobooks, Teen Audiobooks, Juvenile Audiobooks, Juvenile e-Audiobooks, and Teen e-Audiobooks. I anticipate our overall circulation rates will continue to rise as the weather is getting colder and patrons will be spending more time indoors.

MINUTES

Henika District Library

Building/Grounds Meeting

October 23, 2023 at 4:00 pm

Members Present: Meghan Augustin, Suzy Byville, Tami Fryling, Gary Marsh

Members Absent: none

Staff Present: Cierra Bakovka – Director

Guests: Mike from Triangle

- I. Call to Order: Meeting called to order at 4:02 pm by Fryling
- II. Approval of Agenda motioned by Augustin, seconded by Byville. All yes, motion passed.
- III. Community opportunity to address the board – no comments
- IV. Approval of August Meeting Minutes motioned by Augustin, seconded by Byville. All yes, motion passed.
- V. Unfinished Business
 - a. Funding updates
 - i. Grant decision has been delayed to December
 - ii. USDA loan process requires 3 quotes from commercial banks prior to applying as well as a written description of our plan. Plan drawing is not required.
 - b. Parking Lot Update
 - i. We were the only bid. It's in the city attorney's hand, going to have a City Council meeting Nov 5 @ 7pm for formal decision.
 - ii. Our current landscape snow removal company has been asked to a quote for plowing.

c. Site Operations Discussion Continuation

Discussion revealed that committee members feel that the local community has a strong attachment to the current location and significance of staying in the historical building originally willed to the library years ago. The library has a strong relationship with local businesses, which has proved to be beneficial. Ultimately, it is our responsibility to make whatever space we have available (at current site) work for our needs, we must be flexible with things like square footage, parking, and 'green space' to strive to meet the needs of the community as well. Long range planning is also at the forefront of decisions being made; new building should be able to meet the growing needs of the community for about the next 20 years. In addition, with the generosity of the City of Wayland helping the library to stay in its current place, it could risk seeming ungrateful should we move the site.

MOTION: the B/G committee bring the preferred option of staying in current location. 1st Augusting/2nd Byville

Gary: Yes, Suzy: Yes, Tami: yes. MOTION CARRIED

d. Review Needs/Wants list 1st Augustin/2nd Fryling

Needs/Wants list updated with more specific information, i.e. size of spaces being proposed. Discussion held about proposed size and committee concurred that reducing the original 17,000 sq ft to 9,000-12,000 area would be more realistic. This would still increase the current size of the library by about 3 times, remembering that we want to avoid making the new building too small, only to have to add on in a few years. The committee understands this is a fluid process and beginning steps will become clearer as the project grows. Information is being obtained from the State of Michigan whether we can add on our current addition. It is understood that the original historical building cannot be altered. Once the Grant decision

comes in, we will take the next step to apply to USDA for additional funds if that proves to be feasible.

VI. New Business

- a. Next Step Discussion 1st Augustin/2nd Fryling
 - i. Need to start talking with architects. Cierra met several at MLA conference, gave update. Mike from Triangle states they also have contacts with people with usually use. Starting discussions
 - ii. Take proposal to the board to reduce the size of the proposed building to 10,000 sq ft.
 - iii. Triangle speaking with State of MI for approval to add to current addition.
 - iv. Cierra going to next City Meeting on Nov. 6 for their decision on the parking lot.
 - v. Start looking at Community thoughts for new building by putting out a paper survey in the library and online survey, ArtHop/Snowfest brought in a big crowd last year, will try to explore this avenue after decision is announced by City on parking lot and BOARD gives approval. Per Mike, could use a consulting co. for help with surveys if so desired.
 - vi. Gary will get 3 written quotes from banks (to show to USDA for a loan application)
- b. Current basement use- Fryling raised concerns about the environmental safety of the 'Michigan Basement' portion of the original house and asked whether it has ever been tested for mold or other contaminants. Cierra does not believe there is a hazard, but it has never been officially tested. The building as a whole was tested when she came 2 years ago, and nothing was said about any space being of concern. The committee does not believe there is a concern to address at this time and agrees to Table the discussion.

- VII. Around the table.
- a. Bakovka- is tired, somewhat overwhelmed; end of year projects coming up
 - b. Augustin- Good work being done
 - c. Byville- had to leave early
 - d. Marsh- nothing to add
 - e. Fryling- nothing to add
- VIII. Adjournment- motioned by Fryling, seconded by Augustin , motion carried. Adjourned at 5:43 pm.

- › Supervisors see agent status as **Logged Out**, **Ready** (logged in), **Ringling**, **On-phone**, **Wrap up** or **Idle!**
- › Idle! Status is used when an agent does not answer a call after defined ring time expires
- › Call Routing Options
 - Longest idle – An algorithm determining the most inactive logged in user and routes calls in descending order of activity
 - Round robin– Equal call distribution through all logged in users, ringing sequentially
- › Next person on the available list gets the call
 - Sequential – Top - down (ordered, when you have an ideal first person in the group)
 - Simultaneous – All logged in users phones ring at the same time, first person to pick up retrieves the call
- › Smart Greetings (announces # of callers in queue, estimated waiting time)
- › Wallboard Monitoring for Supervisors
- › Active Report is available for All agents and for each agent separately

UNIVERGE BLUE® ENGAGE ADVANCED (OPTIONAL WITH CONNECT OR AS STAND ALONE WITH YOUR EXISTING PBX)

Enhance your interactions, insights, and customer engagement with the package that offers IVR, skills-based call routing, and historical reporting. You also get the option to add full omni-channel capabilities to take the conversation well beyond just voice.

- › Inbound Voice Queues with the option to add Outbound Voice capabilities, SMS, chat, or email queues
- › Desktop & Web Application – single pane of glass for all communications
- › Managers can see active calls, agents' statuses and can monitor/whisper/barge agent's calls
- › Skills- and rules-based routing
- › Scheduled & custom reports
- › Queued callbacks & voicemails
- › Customizable IVRs let you map out call flow to deliver efficient routing and resolutions

Why choose SL2100

To assist in maintaining a positive customer experience and a high level of service, businesses today need to have **workforces that are available and ‘on-demand’ from any location**. A great customer experience usually generates repeat business.

Built-in features include:

- Web-Based Unified Communication Client
- VoIP Enabled
- Unified Messaging
- Music on Hold
- Mobility / BYOD / Remote Extension
- Auto Attendant
- Audio Conferencing
- Video Conferencing & Collaboration
- And more!

Smart Mobility Options

Today's mobile workers depend on communication tools that accommodate flexible workspaces and allow free roaming wherever they are. SL2100 ensures your team stay connected, but without the escalating business mobile costs.

Away from the office

Users can enjoy a complete phone user experience from their home office plus greater working flexibility. Individual and business benefits include the cost and time savings of travel and even the associated costs of workspace. IP Desktop terminals provide access to system features from the home, e.g. company directory, call transfer and more.

On the road

Use your existing Smartphone as a system extension complete with call control. Save on mobile call costs and remain reachable on a single number. The Smartphone SIP App simply connects to the SL2100 via Wi-Fi or across the Mobile Data Network (3G/4G). If the smartphone is not connected due to lack of Network, the SL2100 can provide roaming by routing calls to your GSM number.

YOUR HOMEWORKING TEAM - UNIVERGE ST500 APP

Make your smartphone your business phone

- Enjoy voice mobile extension over WiFi for your smartphone or smart device
- Bring Your Own Device (BYOD): Enable your team to use their own mobiles, iPads or tablets
- Free WiFi business calls

Virtual Office

In today's technology-driven business landscape, more and more organizations are using the flexibility of remote workers to reduce real estate costs and to expand their employee talent pool by removing geographic constraints. With the right set of tools, remote workers can function as effectively as workers sitting in the office.

Virtual Office allows remote workers to connect to their corporate infrastructure from their home or small offices, making them extended members of both the voice and data network.

Virtual Office data connectivity allows for secure Virtual Private Networking (VPN), granting remote access to corporate data resources, such as e-mail, applications, databases and file stores. Using their own broadband internet access (cable or DSL), Remote workers have greater access to the resources they need, allowing them to be more productive.

Virtual Office voice connectivity provides remote workers with IP phone service, allowing them to receive calls as a member of hunt groups or queues and place local, long distance and four-digit extension calls. Virtual Office also provides access to our Phone Control Web portal for click-to-call corporate and personal directories, Web-based voice mail management and call handling options, such as forwarding, call screening and find-me/follow-me functionality, assuring workers are never out of reach. Virtual Office is seamlessly integrated into ManagedUC, an end-to-end solution that delivers fully managed voice services and on-demand applications.

Flexible Remote Office Solutions

There are two Virtual Office product packages available to enterprises:

The **Small Office Bundle** enables branch offices with multiple users to maintain VPN connectivity via our Provided router, and provides each user with IP phone service. The router also serves to provide prioritization of voice and data traffic over general Internet traffic to enhance bandwidth performance, through Quality of Service (QoS) settings.

The **Home User Bundle** is ideal for individuals working from their home office a significant portion of the time. This includes regional or territorial sales representatives, remote executives or call center employees. This bundle includes a VPN client for PC connectivity and our IP phone service.

Virtual Office:

- Is ideal for single users, providing full voice and data connectivity to the corporate network
- Is ideal for small remote offices, providing full voice and data connectivity to the corporate network
- Provides secure, remote access to network resources, such as e-mail, applications, databases and file stores
- Extends all of the benefits of ManagedUC to remote employees

Henika District Library
Attn: Cierra Bakovka, Director
149 South Main St.
Wayland, MI 49348

Thank you for allowing Vredevelde Haefner LLC the opportunity to submit this proposal to provide auditing and consulting services to the Henika District Library. Doug Vredevelde and Peter Haefner have over 50 years of experience in governmental accounting and auditing and formed the firm Vredevelde Haefner LLC **to provide superior service and expertise to governmental entities by specializing in working with the governmental community**. We are committed to knowing your business and providing timely professional service.

We believe the ability to provide superior service is the result of our specialization in the governmental industry and our focus on customer satisfaction and delivery of results. We currently audit 9 district libraries in addition to multiple libraries included in the audit reports of various cities. Our firm has worked with many governmental entities in varying capacities including as independent auditor, interim finance director, consultant and as Board members, and **bring significant experience and expertise to you**. A second component to service is that the firm's partners will work directly with you throughout the year.

This proposal offers an overview of Vredevelde Haefner LLC's capabilities and the benefits of working with us. We look forward to the next step in this process—a step which we hope leads to a long-term professional relationship. Thank you for considering Vredevelde Haefner LLC as your independent Certified Public Accountants. We are available to answer any questions you may have regarding any aspect of our firm, our capabilities or the accompanying proposal.

Sincerely,
Vredevelde Haefner LLC

FIRM PROFILE

OUR BEGINNING

Vredeveld Haefner LLC was established in 2006 to provide superior service and expertise to governmental and nonprofit entities by specializing in working exclusively with these organizations. Our firm has completed our 17th year in business and we are thrilled with the level and quality of the clients that we have been able to serve as auditors and consultants.

WHO WE ARE

Vredeveld Haefner LLC is a local Grand Rapids firm with a mission to provide high-value and high-quality services to the governmental and not-for-profit sector at a competitive price while utilizing the most knowledgeable staff. Our total staff consists of seven individuals, all of whom work exclusively on governmental and not-for-profit audits. Vredeveld Haefner LLC works almost exclusively in the West and Northern Michigan areas. All members of our audit team have experience auditing federal programs as required by the Federal Uniform Guidance. This experience includes the audit of entities with one major federal program to entities with over \$10,000,000 of federal financial assistance and multiple major federal programs.

Along with utilizing high level associates to deliver the superior service we promise; our firm has implemented a business model that is on the cutting edge of how professional services firms are operating their businesses. We operate through a virtual office and are completely mobile to conduct every aspect of our business where it matters most...face-to-face with you! The benefits to us and our clients have been significant. **This model allows us to work very efficiently and with high flexibility which enables us to provide quality services to our clients that are at more competitive rates than the competition.**

No matter what your need may be now or in the future, we have a solution. Our ability to provide superior service is the result of our specialization, our focus on customer satisfaction and delivery of results. Our team of professionals has worked with numerous governmental entities in varying capacities including as independent auditor, interim finance director, consultant and as Board members.

If you would like additional information on our mission, vision or qualifications please visit our website at www.vh-cpas.com.

OUR CONNECTIONS

Our firm is a member of the American Institute of Certified Public Accountants (including the Government Audit Quality Center and the Employee Benefit Plan Audit Quality Center), Michigan Association of Certified Public Accountants, Michigan School Business Officials, Government Finance Officers Association, Michigan Government Finance Officers Association, Kent County Treasurers Association and the Association of Government Accountants.

TEAM MEMBER QUALIFICATIONS AND EXPERIENCE

Staff quality, retention and consistency on each engagement are important to engagement performance, efficiency and profitability. We are committed to providing you with a level of service that makes us unique. **How do we accomplish this?** Through technical training and the culture we maintain in our firm; both of which drive how we interact with our clients and enable us to provide the superior services our clients expect.

TECHNICAL

Your audit will be performed by Doug Vredevelde and staff with the assistance of Peter Haefner. All senior team members involved in your engagement are Certified Public Accountants (CPAs) and have the required continuing professional education to perform your audit engagement in accordance with *Generally Accepted Auditing Standards*. We are constantly striving to improve the quality and efficiency of our work. Each member of our team obtains at least 40 hours of continuing professional education annually; most of which is specifically government related and is focused on matters that directly correlate to the clients we serve.

Our experience in providing the proposed services is extensive. We have audited many libraries, school districts, cities, counties and other large local units of government throughout the State of Michigan as well as dozens of smaller municipalities and special purpose governments including authorities, villages and townships as well as charter schools.

The client listing included in the attachments to this proposal provides information regarding our current clients. Throughout these engagements, we have helped numerous municipalities compile comprehensive annual financial reports for continued and first-time submission to the GFOA and ASBO Certificate of Achievement for Excellence in Financial Reporting Programs. In fact, Peter has over 10 years of experience as special review committee members for this program and Peter is a past employee of the GFOA Technical Service Center where both municipal and school district audit reports are reviewed for program compliance.

CULTURE

Why is the culture within our firm important to our clients? Culture picks up where the handbook leaves off. It guides us in how our staff interact with each other on a daily basis and now we interact with our clients. Our firm knows that no one person has all the answers. We will be learning from your organization during the performance of the proposed audits and we believe that the information and techniques we will share with your staff will provide your organization with significant knowledge and hopefully, some efficiency gains. While we do not know the entire extent of possible efficiency gains, our specialization in working with the governmental community has proven time and time again that through our specialization, Vredevelde Haefner LLC and our clients benefit.

At Vredevelde Haefner LLC we are constantly searching for a better way of performing every task necessary to complete an engagement and manage our business. This search is guided by over fifty years of experience in the government industry, analysis of performance on each engagement, timely comprehensive continuing professional development, and learning from and sharing with our peers and clients.

QUALITY CONTROL

Our firm has a quality control system which meets applicable professional standards and we are confident in the quality of work performed by Vredeveld Haefner LLC.

The significant components of this system, as they relate to your audit, are as follows:

- The firm utilizes standardized forms and templates to ensure that engagements are properly planned, performed, supervised, reviewed, documented and reported in accordance with professional, regulatory and internal requirements.
- Specialized audit programs are utilized on all engagements.
- All workpapers and audit programs are reviewed by the engagement partner.
- A financial statement disclosure checklist is completed on each engagement to ensure all appropriate disclosures have been considered.
- The financial statements and other reports are reviewed by the engagement partner and the concurring partner for format and presentation compliance with all applicable professional guidance and technical pronouncements.
- Workpapers are retained in accordance with professional standards and relevant regulation.

Through our internal review process, we are able to assure our clients that their financial reports have been subjected to a stringent verification of technical compliance, reporting excellence and that the financial statements contain all of the disclosures required by accounting and reporting standards.

EXTERNAL PEER REVIEW

The current peer review program as administered by the Michigan Association of Public Accountants (MICPA) and the American Institute of Certified Public Accountants (AICPA) require that our firm and CPA firms providing various assurance services to have a system of quality control and a peer review of this system every three years. Our most recent peer review was conducted in the Fall of 2022 and a copy of our peer review report, which included no findings or letter of comment items, is included in the attachments.

ENGAGEMENT SCOPE AND OBJECTIVES

We understand the scope of work to be as follows:

- Audit of Henika District Library's financial statements
- Assistance with preparation of Henika District Library's financial statements
- Written communications in accordance with professional standards
- Presentation to the Library Board upon request

The format and presentation of the financial statements will conform to the applicable standards established by the Governmental Accounting Standards Board (GASB) and the Michigan Department of Treasury. We will conduct our audits in accordance with the auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, when applicable.

AFFIRMATIVE STATEMENTS

In conjunction with preparation and presentation of this proposal, we make the following positive affirmations to the Henika District Library:

PROPOSAL EFFECTIVE DATE

Vredeveld Haefner LLC commits to maintaining this proposal as a firm and irrevocable offer for 90 days.

NATURE OF WORK AND TIMETABLE

Vredeveld Haefner LLC understands the nature of the work to be performed and accepts the timeframe established by the Library to perform the work.

INDEPENDENCE

Vredeveld Haefner LLC is independent of the Henika District Library as defined by auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. Vredeveld Haefner LLC currently has no professional relationships that may constitute a conflict of interest relative to performing the Library's engagement. Vredeveld Haefner LLC will provide full disclosure of all client relationships that give rise to conflicts of interest and/or impairment of independence during the term of our engagement.

LICENSE TO PRACTICE | ERRORS AND OMISSIONS INSURANCE

Vredeveld Haefner LLC and all professional staff for this engagement are properly licensed to practice in the State of Michigan. The firm and all personnel adhere to the professional standards set forth by the American Institute of Certified Public Accountants. Vredeveld Haefner LLC carries appropriate professional liability insurance.

QUALITY

Vredeveld Haefner LLC does not have a record of substandard work which is evidenced in the attached Peer Review Report. In addition, the firm has had no instances of disciplinary action taken against the firm or ethics referrals to any regulatory authority from inception-to-date.

CONSISTENT ENGAGEMENT TEAM

Vredeveld Haefner LLC commits to maintaining consistent and experienced personnel on the engagement team as within our control.

AUDIT APPROACH

PROPOSED TIMING

Below is our anticipated timeframe for completion of the services itemized in this proposal. We are flexible in modifying the timing of the engagement to accommodate your schedule should the need arise.

Step	Date
Meet with the Board and/or designated committee, if requested	Upon Appointment
Planning communication with management	December 2023
Perform engagement planning and interim procedures	January 2024
Perform final fieldwork	January/February 2024
Communicate with management to discuss any audit adjustments, findings, management letter comments, and recommendations	February 2024
Deliver draft audit documents to management for review	February 2024
Issue final audit documents	February 2024
Board presentation	Upon request

SPECIFIC PROCESS

We will complete our work in three phases: preliminary fieldwork (planning), year-end final fieldwork, and wrap-up (document completion, review and issuance). The details of each phase are discussed below.

Planning – We will conduct initial planning with Library staff shortly before the start of the audit each year. During this meeting, we will identify the information needed for the audit, schedule the dates of our on-site fieldwork and identify any issues which will require special attention during the audit process. Following our meeting, we will gather and analyze information to gain an understanding of the Library’s structure, operating environment, internal controls and financial activity to-date. This process will include documentation of internal controls and performance of related walkthroughs of key internal controls, analysis of current year operations, review of minutes, inquiries of staff and Board members, review of attorney invoices and review of the audit guides and compliance supplements as they relate to the Library. This process will provide us with a base for our audit risk assessment as it relates to the Library’s overall operating environment. The results of the audit risk assessment will guide our team in identifying the significant audit areas and the substantive procedures to be performed in each audit area. We will then create audit programs that correlate with our risk assessments.

Once the Library has recorded the necessary adjusting journal entries to close out the fiscal year, we will obtain a copy of the Library’s general ledger to prepare the draft financial statements. Drafting the financial statements and schedules prior to conducting the audit has several advantages. First, detail of account balances included in financial statement account captions can be easily reviewed and analyzed during the audit process. Secondly, it increases our efficiency by allowing us to focus our audit procedures at the financial statement level of detail upon which our opinion is expressed.

Prior to the start of final fieldwork, we will also obtain an electronic download of the general ledger detail for the fiscal year. This transaction-level detail provides significant efficiencies for both our firm and the Library during the audit process by enabling us to analyze all transactions

making up each account balance and ultimately all activity within a financial statement caption. It also enables us to select samples, reconcile revenues and expenditures associated with the financial statements and independently review transactions for unusual activity without obtaining other specific detailed reports from the Library.

Final Fieldwork – Our team will be on-site at your location to conduct the engagement fieldwork. We plan to complete the entire audit process while at your location which essentially eliminates the need for subsequent follow-up to resolve open issues. Giving consideration to all of the information gathered during the other planning procedures, we will quantify materiality by opinion unit and finish all remaining planning documentation.

The detailed account level balances used to create the draft financial statements will be used to prepare audit lead schedules. A typical financial audit applies analytical and/or substantive procedures to the balance sheet captions such as cash and cash equivalents, receivables, capital assets, accounts payable and other liabilities. The quantity and type of testing performed during the engagement will be based on our risk assessments of the respective account types and applicable assertions combined with our understanding and documentation of your internal controls performed during planning. Our samples will be selected judgmentally, statistically or haphazardly from respective population of items to be tested.

Revenues and expenditures are tested analytically and/or through reconciliation or other substantive procedures. Analytical procedures may include comparison of budget, actual and prior year balances using quantified materiality as a measurement tool and comparison of Library balances to industry benchmarks. Substantive procedures may include recalculation of charges for services with amounts reconciled to the Library's general ledger. As noted above, we plan our testing based on risk assessments however those preliminary assessments may change during the course of the fieldwork process which may result in a modification to the originally planned audit approach.

Wrap-up – As the final fieldwork procedures are completed, the workpapers will be reviewed as part of our internal system of quality control. All comments and issues generated by these reviews will be resolved while we are on-site. Also, while we are on-site, the notes to the financial statements will be completed and all quality control audit programs and checklists will be finished and reviewed. At the completion of fieldwork, we will meet with your management team to discuss the results of our fieldwork and any findings or recommendations that arose during the audit process.

We will perform an internal quality control review of the draft financial statements and provide a copy of the audit report and documents to management for your review. Upon completion of your review, any necessary modifications will be made to the report and/or documents. We will then finalize, reproduce, assemble/bind and deliver the audit report and documents in accordance with your timing requirements.

ANTICIPATED AUDIT PROBLEMS

Based on our understanding of the scope of the proposed engagement and our knowledge of current and proposed changes to generally accepted accounting principles and auditing standards, we are not aware of any issues that will require substantial additional consideration during the audit process except for the implementation of new accounting standards as they become effective. If a specific matter does come to our attention during the course of the engagement, we will discuss it with you promptly to reach a mutually agreeable resolution.

SIMILAR ENGAGEMENTS WITH OTHER GOVERNMENTAL ENTITIES

Our experience in providing the proposed services is impressive. Our Grand Rapids firm conducted over 50 audits of local units of government in 2021. A complete list of our current governmental clients is included in the attachments; current audit engagements similar to the Henika District Library, along with contact information, includes:

PROFESSIONAL FEES

As discussed above, our business model allows us to work very efficiently with low overhead and high flexibility which enables us to provide quality services to our clients that are at more competitive rates than the competition. Also, as discussed above, our firm employs highly trained and experienced personnel. Work conducted by these senior team members can be performed much faster than the same work performed by new and less experienced associates; this leads to higher quality results and fewer hours incurred on the engagement. All of these factors contributed to generating the fee quote presented below.

The maximum all-inclusive fees for the years ending December 30 are as follows:

	<u>2022</u>	<u>2023</u>	<u>2024</u>
Audit of Financial Statements	\$6,250	\$6,550	\$6,850
Maintenance of capital asset schedules	350	350	350

The quoted fees are based on the presumption that Henika District Library's accounting records are reasonably adjusted and schedules appropriately prepared prior to the start of the audit process. Any additional services requested to assist Henika District Library, either during the audit or for special projects outside the scope of the audit, will be discussed in advance with appropriate Library personnel and, once agreed upon, will be billed at our standard hourly rates.

We emphasize regular contact with our clients and provide prompt, courteous answers to any questions you may have; both during the audit process and throughout the year. There will be no fees related to routine contact unless significant research and response preparation time is involved. In which case, we will inform you in advance if we believe a particular service will require an additional fee.

Report on the Firm's System of Quality Control

January 3, 2023

To the partners of Vredeveld Haefner LLC. and the Peer Review Committee of the Michigan Association of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Vredeveld Haefner LLC. (the firm) in effect for the year ended June 30, 2022. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included an audit of an employee benefit plan and an engagement performed under *Government Auditing Standards*, including a compliance audit under the Single Audit Act.

As part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Vredeveld Haefner LLC. in effect for the year ended June 30, 2022, has been suitably designed or complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Vredeveld Haefner LLC. has received a peer review rating of *pass*.

Audit Scope

Gabridge & Company, PLC will audit and provide an opinion on the Henika District Library's (the "Library") basic financial statements, including the governmental activities and the general fund.

The audit report will be performed in accordance with Generally Accepted Auditing Standards, as promulgated by the American Institute of Certified Public Accountants (AICPA); the AICPA Audits of State and Local Government Units audit and accounting guide; the OMB Uniform Guidance; the Single Audit Act Amendments of 1996; and the Government Auditing Standards, published by the U.S. General Accounting Office.

Gabridge & Company, PLC guarantees access to the working papers for a minimum of five years. All data, files & reports will be safeguarded by Gabridge & Company, PLC. The following reports will be submitted to the Library:

- Independent Certified Public Accountant report on the fair presentation of the basic financial statements in conformity with generally accepted accounting principles in the United States and standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.
- Independent Certified Public Accountant report on internal control over financial reporting in accordance with Government Auditing Standards and test its compliance of laws, regulations, contracts and grants.
- Independent Certified Public Accountant report on the Schedule of Expenditures of Federal Awards (if applicable) and a report on Compliance and Internal Control over Financial Reporting in accordance with auditing standards generally accepted in the United States of America, and standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and as required by OMB Uniform Guidance, Audits of State and Local Governments (if applicable – Single Audit).
- Management letter, covering internal control and recommendations.

All final copies of the Library financial statement audit and related reports will be provided to the Library in accordance with your schedule. Included with the audit will be the Management Representation Letter, a report on all audit adjustments (and backup documents), fixed asset depreciation lapse schedules, and year end proposed adjusting journal entries (if applicable). Gabridge & Company will upload the audit report to the Michigan Department of Treasury and Federal Audit Clearinghouse (if applicable). Lastly, a .pdf of the audit will be forwarded to the Library.

Firm Qualifications and Experience

Gabridge & Company currently has over 250 governmental and non-profit audit clients throughout the State of Michigan. We also have 30 employees, including fifteen governmental audit professionals. Gabridge & Company actively recruits prospective governmental audit staff members by seeking only individuals who are committed to serving our clients with integrity; while also being committed to becoming industry experts and providing proactive customer service. Gabridge & Company has offices located in Traverse City, Sturgis, Three Rivers, and Grand Rapids. Gabridge & Company will assign only accountants with extensive governmental experience to the audit of the Library, including a principal in charge and an independent review principal. Joe Verlin (Principal in Charge of Audit Services) will be assigned full-time to the audit and will remain the primary contact for the Library for the duration of the engagement term(s). Gabridge & Company is a member of the Michigan Association of Certified Public Accountants, the American Institute of Certified Public Accountants, the Governmental Audit Quality Center, the Michigan Municipal League and the Michigan Local Government Association.

Gabridge & Company is dedicated to serving Libraries. We offer newsletters, webinars, and conferences at no charge to provide our clients with timely updates and best practices for the rapidly changing governmental financial regulations. We advise our clients before, during, and after the audit – and strive to be much more than what you would expect from your auditor.

Our firm has not been involved with any state or federal desk reviews or field reviews of its audits. Additionally, our firm has not been involved with any disciplinary action taken by state regulatory bodies or professional organizations. Our firm will also follow the American Institute of Certified Public Accountants "Interpretation 501-3, Failure to Follow Standards and/or Procedures or Other Requirements in Governmental Audits." Our firm will not subcontract any of the auditing services included in this proposal.

Our proposal will remain valid for 120 days past the deadline for submittal.

We warrant that all information provided in connection with this proposal is true and accurate to the best of our knowledge.

Other Services

Gabridge & Company, PLC is able to provide consulting services to its clients throughout the year **at no additional charge**. We feel that it is important to interact with our clients throughout the year, especially with the rapidly changing governmental accounting pronouncements. We find that these proactive discussions will ultimately reduce the upcoming audit workload for both our firm, and more importantly, the staff of the Library. Joe Verlin will be your primary contact throughout the year to ensure continuity.

Our consulting services include (but are not limited to); assistance with BS&A, budgeting, general accounting questions, human resource consulting, financial reporting, internal control, grant compliance, implementation and assistance to the Library with any new accounting principles required by GASB, or as required by State or Federal Law, etc. Our customer service policy allows us to handle our audit clients informal questions and consultations throughout the year without additional billings, unless the scope of the consultation becomes a project in nature. In these cases, our consulting projects will be documented in an engagement letter that will set forth the timing, scope and related fees.

Licensed to Practice in Michigan

Gabridge & Company is a CPA firm actively registered to practice public accounting in the State of Michigan. Also, all assigned CPA's from Gabridge & Company are properly registered and licensed to practice in public accounting in Michigan.

Independence and Conflict of Interest

Gabridge & Company, PLC is independent of the Library as defined by generally accepted auditing standards and the U.S. General Accounting Office's Government Auditing Standards (2018 revision). Gabridge & Company is also independent of all component units of the Library, as defined by the aforementioned standards. Gabridge & Company has had no professional relationships involving the Library or any of its agencies, component units or primary governments during the past five years that would impair independence. Lastly, Gabridge & Company will give the Library written notice of any professional relationship entered into with the Library, or any of its agencies, component units or primary governments during the period of this agreement.

We warrant that no work included within this proposal will be subcontracted by Gabridge & Company, PLC.

Continuing Education and External Quality Control Review

Continuing Education

Gabridge & Company, PLC and its professional staff members meet all continuing education and external quality control requirements as stated in the U.S. General Accounting Office's Government Auditing Standards (2018 revision).

External Quality Control Review

Included with this proposal is Gabridge & Company's most recent external quality control review (peer review) for which government engagements were included. The peer review is for the period ended June 30, 2021. Our firm continues to meet the external quality control review requirements by actively monitoring our staff member's continuing education and training (through frequent staff meetings, attending pertinent governmental conferences, and self-study courses focused on governmental accounting and auditing), participating in governmental associations, and internal inspections of audit files by partners not involved with the audit.

Quality Control Procedures

Some examples of our quality control procedures include:

- Draft versions of audit reports are reviewed by an independent review principal who was not involved with the audit.
- Our audit teams are trained prior to their arrival for fieldwork to ensure audit efficiency and that you will not need to "train the auditor".
- An audit manager or the principal in charge of the audit will be on-site at all times during fieldwork to ensure that a properly trained decision-maker will be available throughout fieldwork.
- The principal in charge of each audit reviews the audit report and related letters with the client prior to finalizing.

Specific Audit Approach

Our goal is to provide a thorough and quality audit with as little disruption to our clients as possible. We achieve this by emphasizing planning procedures and having audit team members who specialize in governmental audit. For example, prior to our arrival for fieldwork, we will already have a working set of financial statements loaded into our proprietary software and will have identified the audit areas that we feel need to be emphasized in the field. We will know precisely what we need to look at prior to our arrival – this focused approach minimizes disruption to your staff while we are in the field. Also, our staff is made up of employees who specialize in governmental audit and who are fully dedicated to auditing governmental agencies. In other words, our clients will not need to "train the auditors".

Interim Fieldwork and Audit Planning

During the interim fieldwork and audit planning phase, we gain an understanding of your current year operations, evaluate the reliability of your internal controls, identify any issues that may have audit significance, and complete planning in preparation for final audit fieldwork. Based on the information that we obtain during this phase, we can determine your general areas of audit risk, the extent to which we can rely on your internal controls for our audit testing, and whether any significant audit issues need to be discussed so they can be resolved prior to the start of fieldwork. Some of the areas addressed at this time include documentation of internal controls, preparation of confirmations as necessary, review of minutes, completion of the preliminary analytical procedures review, and tailoring the current year audit work programs.

Final Fieldwork

As we complete our interim fieldwork and engagement planning, you will be provided with a listing of audit schedules required for final fieldwork. Many of the schedules will be similar to what you have prepared for previous audits and may be provided to us in an electronic format. The final fieldwork phase of the audit will generally commence once the books are closed and the appropriate audit schedules have been completed. During this phase, we will perform the appropriate tests of account balances, using sampling, substantive, and analytical review procedures, in order to form an opinion on the financial statements as a whole.

Areas that we will test using substantive procedures include (not intended to be an all-inclusive list):

Cash and cash equivalents – we will inspect bank account reconciliations and prepare bank account confirmations to ensure that the balances agree to the financial statements.

Accounts receivable – we will test certain balances by using a combination of analytical procedures and tracing year end balances to subsequent receipts.

Interfund transactions – we will review the schedule of interfund transfers and balances to ensure that all entries are reconciled and eliminated properly for government-wide presentation.

Capital assets – we will obtain a depreciation lapse schedule and verify key additions by inspecting vouchers, while also testing the adequacy of depreciation expense.

Accounts payable – we will obtain a year end accounts payable aging report and test for accuracy by inspecting certain vouchers. We will also review subsequent expenditures (after year end) searching for possible unrecorded liabilities as of year-end.

Accrued payroll – We will obtain payroll registers for payrolls issued after year end and compare to the schedule of accrued salaries and wages. We will also test the year end balances for payroll taxes by tracing year end liabilities to their payments, while comparing to payroll forms.

Compensated absences – We will obtain a year end value of compensated absences and validate the balance by comparing to the employee handbook and / or union contracts.

Long-term debt – We will obtain a year end schedule of long-term debt and verify the accuracy of the current portion of long-term debt by reviewing amortization schedules. We will also confirm certain balances by inspecting vouchers or sending confirmations to lenders.

Equity – We will ensure that the beginning fund balance and net assets amounts agree to the prior year ending balances.

Property Taxes – We will examine taxable values and the Library’s millages to ensure that the tax revenues are properly supported and allocated to the proper funds.

State and Federal Grants – We will compare state and federal grant revenues and substantiate the activity with Treasury reports and grant documents. We will also review federal grant and loan activity verifying consistency between the financial statements and the Schedule of Expenditures of Federal Awards (if applicable).

Type and Extent of Statistical Sampling to be Used in the Engagement

Statistical sampling will be used extensively during field work to assist with our testing procedures. Sample size will be based primarily on the level of risk assigned to a given financial statement assertion, the potential magnitude of misstatement, the potential for non-compliance, and other factors based on our professional judgment. Most often the range of our sample size is between 25 and 40 items. We affirm that adequate tests of transactions will be performed.

Type and Extent of Analytical Procedures to be Used in the Engagement

Analytical procedures also will be used extensively during our planning and final fieldwork stages. We will rely on our analytical procedures to determine what areas may need additional attention based on the size of deviation from our expectations. Analytical procedures will be applied using key ratios compared to budget and historical figures. Areas with large “gaps” between actual and expected amounts will receive additional attention in the field, and the results of the extra attention will be documented and substantiated. Lastly, during field work we will gather sufficient audit documentation, clear all open items, complete our audit programs, and our quality control documents will be completed and reviewed.

Approach to be Taken to Document an Understanding of Internal Controls

As auditors for a significant number of governmental units, we have a good understanding of the significant areas of internal control that need to be tested and documented. We have tailored client questionnaires for each significant transaction class that allow our clients to review and document any changes in procedures in a timely and efficient manner. We then review the questionnaires and utilize them as a base for documenting our related tests and walkthroughs.

Approach to Determining Laws and Regulations that will be Subject to Audit Test Work

We have accumulated an extensive list of the significant laws and regulations that apply to governmental entities. Each year we review that list in relation to new State, Federal, and industry guidelines and make modifications as appropriate. During fieldwork, the list is reviewed with client personnel to ensure compliance with the identified laws and regulations.

We will provide delivery dates during the planning phase of the audit and confirm these dates during our planning meeting with management. Following is our anticipated timetable to complete the audit:

Description	Dates
Detailed Audit Plan	January
Fieldwork	February / March
Draft Reports	March / April
Final Reports	April
Board Presentation	April / May

Identification of Potential Audit Problems

We begin the audit process each year by revisiting any prior year management recommendations and/or suggestions and inquiring of our clients regarding any action taken to remedy those recommendations. In addition, we engage in discussions with our clients regarding any potential areas of concern and if there are any specific procedures they would like us to perform during the audit process.

We will also provide monthly written reports to the Library that communicates progress of the audit. Additionally, any irregularities, illegal acts, or indications of illegal acts will immediately be reported in writing to management. Also, any conditions, transactions, situations or circumstances that need special consideration or that prevent or impede the completion of the audit will be reported to the Library officials.

Non-Discrimination Clause

Gabridge & Company, PLC does not discriminate against any individual for employment with respect to such person's hire, tenure, terms, conditions, privileges of employment, or any matter directly or indirectly related to employment because of such person's race, color, religion, national origin, ancestry, age, sex, or disability as defined by law.
